

Guide to completing W-8BEN-E entity US tax forms

Applicable to Companies, Trusts, Self Managed
Superannuation Funds and Deceased Estates

1. General information

1.1 Who is this guide intended for?

This guide is intended for entity investors that:

- are Australian residents for tax purposes
- are invested in securities that are dual-listed on the ASX and a stock exchange in the United States of America (US), and
- hold these securities on Wrap platform.

1.2 What is a W-8BEN-E form?

For listed securities that derive income in the United States of America (US), the US Internal Revenue Service (IRS) requires certain documentation from the ultimate beneficial owner to ensure the appropriate level of tax is withheld in the US. Entity investors that are non-residents for US tax purposes are required to complete a W-8BEN-E form – *Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding*. Please note, 'entity' includes companies, trusts, self-managed superannuation funds (SMSF) and deceased estates.

Investors who are a non-resident of the US for tax purposes are subject to a maximum withholding tax rate of 30 per cent on certain income they derive from US sources. Where the requisite form is completed in full by an investor, a withholding tax of 15 per cent may apply for Australian tax residents who derive certain income sourced in the US, in accordance with the Australia/US Double Taxation Agreement (DTA).

The examples in this guide are provided to assist with completing the W-8BEN-E form and do not constitute legal, financial or taxation advice. This guide has been completed using information provided in the IRS W-8BEN-E instructions, which can be found on the IRS website, [irs.gov](https://www.irs.gov). For additional information, [Computershare](https://www.computershare.com) has also provided guidance on this form.

Investors should seek independent advice relevant to their specific circumstances, before submitting a W-8BEN-E form.

1.3 Who should complete a W-8BEN-E form?

For entity investors in Wrap, a W-8BEN-E form must be completed by the beneficial owner(s). Further details are set out below under 'Form completion'.

For members of our superannuation fund (the Fund), no action is required. As the Fund holds these assets in trust, the trustee of the Fund will complete the form as required.

Please note, the following entities should not complete a W-8BEN-E form:

- if an entity is a US tax resident, they will need to complete a W-9 form – *Request for Taxpayer Identification Number and Certification*. This can be accessed on the IRS website, [irs.gov](https://www.irs.gov)
- if an entity is an individual, they must use the W-8BEN form specific to individuals. For further information on the W-8BEN form for individuals, please see *Guide to completing W-8BEN individual US tax forms*
- if an entity is a simple trust, they should complete a W-8IMY form. This can be accessed on the IRS website, [irs.gov](https://www.irs.gov)
- if an entity is a Nonparticipating FFI, they do not qualify for a reduced (15%) withholding tax rate. Please see section 1.6 for further information on determining FATCA classifications.

1.4 Form completion

A W-8BEN-E form will need to be completed where an entity holds a security that may distribute certain US sourced income. These include securities that are dual-listed (ie listed on the Australian Securities Exchange and a US stock exchange). Only one form is required per entity, regardless of how many dual-listed securities are held.

Generally, a W-8BEN-E form will remain in effect until 31 December, three years after the date of signing. For example, a form signed on 15 September 2016 will remain in effect until 31 December 2019.

However, if a change in the entity's circumstances makes any information on the form incorrect, a new W-8BEN-E form (or other appropriate form) must be filed to continue to claim a reduced rate of withholding tax under the DTA. Note that no alterations or correction fluid is accepted on the W-8BEN-E form. Any amendments will lead to the rejection of the form.

Once completed, please submit the original signed W-8BEN-E form to the entity's adviser or the Operator, with any other required documentation. The Oasis Wrap platform address is GPO Box 3154 Sydney NSW 2001. **Do not send the form directly to the share registry, as further information is required from us prior to submission.**

Please ensure that any forms submitted are accurate and complete as penalties may be imposed by the IRS. Please note that the Share Registry only requires one form to be completed for each entity, even where there are multiple trustees, directors or executors.

For information on the ability of a taxpayer to claim a foreign income tax offset for tax withheld in the US, please view frequently asked questions and answers on W-8BEN forms on the relevant Oasis Wrap Tax website.

1.5 Determining the type of beneficial owner

When completing the form for a trust, the most appropriate 'entity type' will need to be chosen. Given the various different types of trusts that exist, we are unfortunately not able to assist in this classification, due to the complexities in determining the correct trust type.

We recommend investors seek independent advice to assist with determining the most appropriate entity type, before completing a W-8BEN-E form.

1.6 Determining FATCA classification

The W-8BEN-E form reflects changes introduced by the *Foreign Account Tax Compliance Act 2010* (FATCA) in the US and subsequently introduced into Australian law. When completing the W-8BEN-E form, the most appropriate FATCA classification will need to be determined for the entity, as provided for in the form. Unfortunately, we are not able to assist in this classification, given the complexities in determining the correct FATCA classification.

Please note, the FATCA status selected in the sample forms below are general in nature only, and may differ depending on the entity's specific circumstances. We recommend investors seek independent taxation advice to assist with determining the most appropriate FATCA status for the entity, before completing a W-8BEN-E form.

1.7 Determining Limitation on Benefits (LOB) for treaty claims

The Australia-US tax treaty contains a LOB article, which is an anti-treaty shopping provision intended to prevent residents of third countries from obtaining benefits between Australia and the US. The W-8BEN-E form has been updated to include common LOB provisions in Part III (Claim of Tax Treaty Benefits). Entities that are Australian tax residents must determine whether it satisfies a LOB provision in order to qualify for the reduced 15 per cent withholding tax rate.

Please note, the LOB provision selected in the sample forms below are general in nature only and may differ depending on the entity's specific circumstances. We recommend investors seek independent advice to assist with determining whether the relevant LOB provision is satisfied before completing a W-8BEN-E form.
